NEW SKYLIGHT --NORTH SIDE ROOF SLOPE

VELUX Skylight VS 22 x 38
 This Skylight Will NOT be visible from the sidewalk or street
 (Does not face cul-de sac or streets)

One of the Existing VELUX skylight on main roof
 (The New Skylight to match)

Manual venting deck mounted skylight (VS)

Designed for deck mounted installations, the VS manual venting skylight enables any home to embrace the best of what nature has to offer. Opening for maximum fresh air, the venting skylight contributes to a home's proper moisture balance and comfort level by allowing stale, humid air to be released.
