VETERAN'S DAY

VD 2017 - Presently VFW 3150 and AL 85 will lead the event at our local memorial with possible support from AL 139. We need to determine the level of interest from the County for official attendance.

VD 2018 – Would like to match the event with the National Observance at Arlington Cemetery and possibly move the timing to 1100. There will be an expected open house and focus on WWI. Discussion on the topic included possible local restaurants participating with reduced prices for veterans as well as County offering free parking to encourage Veteran business in the County.

MEMORIAL DAY 2018

MONDAY MAY 28, 2017

MVAC will be working with the county to develop a plan to highlight this day. Memorial Day 2018 marks the 100th anniversary of WWI. We have expressed interest in plating poppies at designated areas in the County.
