

## Bicycle Element Update

### Arlington County's Master Transportation Plan

Arlington's bike plan is 10 years old and in need of an update. Help us plan for the future of bicycling in Arlington to improve mobility, safety, comfort and convenience for bicyclists and expand its attractiveness of getting around for people of all ages and interests.

We need to hear from people of all ages and interests, whether you bike all the time or never have!

**Follow along!**  
Visit [www.arlingtonva.us](http://www.arlingtonva.us)  
and search **Bike Plan**.
