

# ARLINGTON COUNTY COMMISSION FOR THE ARTS

## STATEMENT ON EQUITY

*To support a full creative life for all Arlington residents, artists and arts organizations, to further support the County Board-adopted “Enriching Lives: Arlington Arts and Culture Strategy<sup>1</sup>,” the Arlington County Commission for the Arts commits to championing policies and practices that ensure a just, inclusive, and equitable arts sector.*

### DEFINITION OF EQUITY

Equity embodies the values, policies, and practices that ensure that all residents — including but not limited to those who have been historically underrepresented, underserved, underfunded based on race/ethnicity, age, disability, sexual orientation, gender, gender identity<sup>2</sup>, socioeconomic status, geography, citizenship status or religion—are represented in the development of arts policy; the support of artists; the nurturing of accessible, thriving venues for expression; and the fair distribution of programmatic, financial, and informational resources.

### ACKNOWLEDGEMENTS & AFFIRMATIONS

- In the United States, there are systems of power that grant privilege and access unequally such that inequity and injustice result, and that must be continuously addressed and changed.
- Equity is critical to the long-term viability of the arts sector.
- We hold ourselves accountable, because acknowledging and challenging our inequities and working in partnership is how we will make change happen.
- Everyone deserves equal access to a full, vibrant creative life, which is essential to a healthy and democratic society.
- The prominent presence of artists challenges inequities and encourages alternatives.

### MODELING THROUGH ACTION

*To provide informed, authentic leadership for cultural equity, we strive to...*

- **Pursue cultural consciousness throughout our commission** through substantive learning and formal, transparent policies.
